Best Bourbon for Eggnog

A good 100-proof bourbon makes a fantastic spiked eggnog recipe. We recommend the following bourbons for your eggnog cocktail.

- Henry McKenna Bottled in Bond
- 1792 Bottled in Bond

For 100-proof bottles of bourbon look for "Bottled in Bond" or "Bonded" on the label.

For lower-proof bourbons, we recommend the following:

- Buffalo Trace
- Weller Special Reserve

Spiked Eggnog Variations

Eggnog and whiskey is great but here are a few variations you can have a go at.

- Add different liquor to your eggnog.
- Use whiskey, rum or even all types of liqueurs you can put in your eggnog.

Be sure to add your eggnog cocktail.

- Top with whipped cream.

How Much Bourbon to add to Eggnog?

This will come down to the bourbon's proof and your personal taste. If you are using 100 proof or higher bourbon start with 1 oz. bourbon to 6 oz. eggnog. Then adjust from there. In the recipe card below this is the ratio used.
